Romantic Decor

**any wedding package can be upgraded to a romantic decor arch for an additional \$91*

Our packages provide a guideline for you to begin the planning process, however, all Weddings at Bucuti are designed exclusively for you as individuals. We will work with you to put together the components that you want and create a custom package for you. You will find a list of additional services and amenities that we can provide and we are open to receive your thoughts and ideas of things that you may not see on our list.

Civil Ceremonies are the legal wedding ceremonies. The legal ceremony in Aruba always takes place in the Civil House in downtown Oranjestad. Many couples conduct their legal ceremony in the morning or early afternoon and have their beach ceremony at sunset. Some couples take care of the legal portion of their wedding in their home city and enjoy a beach ceremony and/or blessing here in Aruba. Therefore you will see prices for the Civil Ceremony portion both alone as well as included in some of the packages. We also have a package for the beach ceremony without the legal (civil) ceremony included for those who are renewing their vows or who legally married at home.
