Whether your destination is an all-inclusive, offering a balmy stretch of beach, a cozy cabin, or simply a stay *sans-kids*, these romantic getaways are sure to strengthen your bond.

Here, the world's best couples resorts from California to Costa Rica, guaranteed to (re)light the fire.

Bucuti and Tara Beach Resort

A TripAdvisor favorite—it was voted the #1 hotel in the Caribbean—Aruba’s adults-only Bucuti and Tara Beach Resort is an affordable 4-star paradise. With only 104 rooms, a Romance Concierge, professional photographers available to capture memories, and activities such as movies on the beach underneath the stars, an intimate experience is all but guaranteed. After eating at oceanfront Elements Restaurant or having a private dinner in a beach palapa, grab a cocktail from the open-air Sand Bar and then retreat to Eagle Beach to enjoy a picture-perfect sunset at deux. The resort is 18+ and rooms are from \$507.
