

Bucuti News & Updates

Greetings from the One Happy Island of Aruba! I am pleased to share the latest news from the Caribbean's most romantic resort, and now the Caribbean's first CarbonNeutral® hotel. You will also get a preview of our new entrance and concierge lobby and meet our yoga instructor, Shanti.

On behalf of all the Bucuti associates and the 2018 Bucuti's Best, thank you for your support and we hope to welcome you soon.

With peace, love and happiness ... *naturally*,

Ewald Biemans
Owner and CEO

Caribbean's First CarbonNeutral® Hotel

We are excited to announce that Bucuti & Tara Beach Resort has just become the **very first Caribbean hotel to be certified CarbonNeutral®**.

When you stay at Bucuti, you will leave no carbon footprint but still enjoy a memorable, guilt-free vacation. Bucuti & Tara has now proven to the world that carbon neutrality and a truly romantic Caribbean vacation are *mutually inclusive*.

A New Way to Check In

No longer do we have a front desk where you will stand in line for check-in. Instead, our new lobby is home to your wellness and romance concierges.

Now, your Concierge will welcome you at the curb, serve you a chilled flute of Champagne with a scented cold towel and escort you directly to your room.

Yoga with Shanti

Each Friday morning at Bucuti, Shanti leads a free yoga class on the beach for interested guests.

Shanti has long been Aruba's favorite yoga instructor, but now she is known worldwide in this Aruba Tourism video. See why Shanti loves her One Happy Island of Aruba.

Bucuti's Best of 2018

Based on guest feedback, it's our people who make your holiday so memorable. We are proud of their dedication and delighted to celebrate career milestones of three valued team members for 2018.

- Carlos Zuleta Restrepo, Lunch Waiter
- Karen Cousins, Bartender
- Luis Willems, Maintenance Technician
