Bucuti & Tara is the Caribbean's most celebrated resort for romance. Nestled on the widest expanse of white sand on Eagle Beach, named one of the "Dream Beaches of the World," adults-only Bucuti & Tara is committed to romance. Laidback luxury and tranquility reign.

Your dedicated personal concierge begins working with you well before you arrive. Ensuring you enjoy a completely customized vacation, they will get to know you and create an itinerary customized to your preferences – whether it's doing as little as you wish or packing in adventures.

VIP "Vacation Like a Celebrity"

Arrive to Aruba like an A-lister. Be met at the jetway by your personal assistant. Relax in an ultra-private lounge teeming with Champagne and goodies while luggage is collected. Bypass immigration lines and be whisked away by private car for an in-room check-in. Rockstar service without the paparazzi!

Timeless, Romantic Picnic

This sweethearts' tradition beckons. Chef creates a delicious lunch packed in your personal picnic basket. Paired with a blanket and pillows, you'll receive a map customized by our romance concierges with Aruba's dreamiest hideaways.

Champagne Beach Butler Service

Snuggle together on the white sand beach and catch a prismatic sunset while savoring Champagne, freshly made canapés and hors d'oeuvres served by your beach butler.

Yacht Monforte

Set sail on this grand teak schooner for a uniquely elegant five-hour excursion to the stunning Spanish Lagoon. Access hidden treasures of tropical coves and white sandy beaches. Indulge in free-flowing beverages from the premium bar, a gourmet meal and adventures including snorkeling, kayaking, third-lung diving and rope swinging.

Romantic Beach Dinner

Our signature dining experience, relax together in a private beachfront cabana surrounded by candlelight and swaying palms. Complete with a special three-course meal including wine or Champagne, select sunset or moonlight seating.

Honeymooners Champagne Toast - Complimentary

Held along the beach every Tuesday, Bucuti & Tara Owner/CEO Ewald Biemans invites newlyweds to gather for a Champagne toast to their honeymoons and one another.

Sunset Catamaran Sail

Aruba's sunsets are dazzling. As the sun melts into the ocean, cruise the tranquil waters with your "dushi" (native Papiamentu for "sweetheart") on this relaxing, intimate sail. Sip your favorite beverage from the open bar.

Stargazing and Starry Nightcaps

Curl up together on our beach beneath a blanket of mesmerizing stars while using the stargazing app on your in-room tablet while sipping an otherworldly beverage from the SandBar's Starry Nightcaps menu.
