Raise the red flag in Aruba

In Aruba, the pool at Bucuti & Tara Beach Resort is open around the clock to toast the cotton candy sky as the sun sets over Eagle Beach. [Bucuti & Tara Beach Resort, Aruba](#)

On tranquil Eagle Beach (Palm Beach is the more crowded beach) in [Aruba](#), adults-only [Bucuti & Tara Beach Resort](#) is home to a saltwater pool with a sundeck and spa tub. For an impromptu refresher, the pool is open around the clock and lit for night swims. For light bites and thirst-quenchers, raise the red flag on your sun lounger.

Nightly rates, per couple, start at \$403 and includes breakfast.
